

An Amazing New Diet Idea!

HOW TO BURN OFF BODY FAT, HOUR-BY-HOUR!

MEDICAL DOCTOR'S NEW DISCOVERY

BURNS AWAY MORE FAT AND FLUID

THAN IF YOU RAN 98 MILES PER WEEK!

Dear Friend,

My name is Don Schwerdtfeger. I am an M.D. and have been practicing medicine here in San Diego for 14 years.

I am reproducing my business card at the bottom of this page and I am writing to ask the people of America a personal favor.

If any of you will do this favor for me you will be helping me with my research and I will gladly pay you for your help.

Here is what it is all about: I am a psychiatrist and in addition to my other patients I have been helping people with alcohol and drug addictions. So far, I have treated more than 2500 various types of drug addicts.

But strangely enough, over the years, my practice has taught me that *overeating* is even more difficult to deal with than many hard-core drug addictions.

Some time ago I began to realize that any person who is overweight needs much more than just a diet. I now know that every overweight person needs an anti-fat weapon that is both safe and very powerful!

Finally, after years of research, I feel I have developed just such a weapon. What it consists of is a new diet product and a system that actually burns off body fat, hour-by-hour!

Believe it or not, my new diet system burns away more fat and fluid than if you ran 98 miles per week.

Many of the people who have tested my program have lost as much as 2 pounds of fat and fluid every day for the first week. Actually, many people have reported a 6 pound weight loss in just the first 48 hours! After the first week, many people continue to lose as much as 9 pounds every two weeks thereafter. Some people (who were very obese) have used my method to lose 50, 60 and even 100 pounds and more.

When you begin to use this program, you can expect to be able to measure the difference in your waistline in just 24 to 48 hours. You will probably lose more inches each week than even if you faithfully did hundreds of situps every day. You may very well lose as much as 3 to 5 inches off your waistline in the first month. If you are a woman you can lose as much as a full dress size in only 7 days.

Apparently, what happens is that my diet system allows your body to break down your excess body fat and flush it out of your system quite rapidly.

The amazing thing, of course, is the speed at which this system works. It is rather remarkable to throw off as much as 6 pounds of fat and fluid in the very first weekend. Just imagine how it must feel to drop up to 2 pounds a day and shrink your waistline up to 3 inches the first week.

My first concern when I developed this program was safety. Therefore, my anti-fat formula contains absolutely no drugs. It is made up entirely of 100% natural ingredi-

ents. I first tested it on myself and I now use it religiously every day. I have found that my program can even help people who have been hopelessly overweight all their lives including those who need to lose 20 to 30 or 70 pounds or more.

My diet product does not necessarily produce a specific spot reduction, but if you are considerably overweight a significant overall loss of excess pounds could easily mean that you could lose:

- 6 inches off waistline
- 4 inches off stomach
- 4 inches off buttocks
- 3 inches off thighs
- 5 inches off hips

Remember — you don't have to wait weeks for results with my system. It starts instantly! You can actually see the results in just a few days.

The way you use this formula is simple. All you do is mix it with a glass of your favorite beverage and drink it every day the first thing in the morning.

Then, during the rest of the day, you eat a wide selection of tasty foods which are scientifically programmed to maintain a high level of fat burn-off.

That's all there is to it. This may be the most effective fat-burning method ever developed. It is not a drug. It is not a gimmick. It is a formula that I was only able to develop after years of research and, as I said before, I use it myself.

It works. And now I want to spread the word to other doctors so they can use my diet system to help all of their overweight patients. To make a long story short, what I want to do is write an article and have it published in the various medical journals as I sincerely felt this is the best way to convince other doctors of the value of my system.

But I need a lot of proof in order to get my article published and this is where you can help me. And, as I said before, I will be more than happy to repay you for your help.

So therefore, here is what I would like for you to do: if you or any member of your family is overweight I would like for you to go ahead and order a supply of my *crash-loss* system and test it yourself. It is sold by Millburn Products, Incorporated. As soon as you receive this fantastic diet system — start the program and see if it works for you. Frankly, this or any other diet program will not work for everyone because a very small percentage of people have *unusual* problems. (By the way, naturally you should check with your doctor before you use this or any other diet plan.) However, Millburn Products is so positive about this diet system that they are making the following guarantee:

IF YOU HAVE NOT LOST UP TO 6 POUNDS IN THE FIRST 48 HOURS AND UP TO 12 POUNDS IN THE FIRST WEEK, OR, IF FOR ANY REASON YOU ARE NOT 100% SATISFIED, I WILL GIVE YOU A COMPLETE REFUND OF YOUR MONEY.
